SUMMER 2008 EDITION

WELCOME !

Hello, we hope you will enjoy reading the latest news from your Local community group, working voluntarily to regenerate our Local park for all to enjoy.

LATEST NEWS

STAMP OUT ANTI-SOCIAL BEHAVIOUR – REPORT ALL INCIDENTS ON Tel –**101**. GET AN INCIDENT NUMBER, THIS WAY PATROLS WILL BE INCREASED – LETS WORK TOGETHER ON THIS PLEASE !

For those that have visited the park over the last few weeks , you will have noticed that three new pieces of equipment have been installed –swings and two springies, these purchased by money donated to the group, by local residents , businesses, and from Sheffield City Council.

There has been a noticeable increase in the number of children using the facilities since the improvements, why not come along and join in the fun too?

The next in will be the ability roundabout , all well, this will be in position by the children's summer holidays – a great piece of kit, which is all inclusive- for kids with or without disability.

THANKYOU TO EVERYONE WHO HAS DONATED MONEY , WITHOUT YOUR HELP THESE IMPROVEMENTS WOULD NOT BE POSSIBLE !

MASTERPLAN FOR PARK

Complete and ready to view on our website – or notice board (park)

Thanks ! to the South Area Panel for funding the production of this –it is very much appreciated .

FUNDING APPLICATIONS

Currently we are busy applying to many funders for large grants, as if successful this will allow for the bigger changes to be made.

This is quite in depth work and therefore as our efforts have been concentrated here we have not had quite as many community fund raising events this year. We will advertise any events and will keep everyone updated on any funding news.

We have raised £32,000, since we began in July 2006 !!

FONES4SCHOOLS.

Thanks to all who donated their old phones – we collected 400 altogether , and raised £600 for the park. Some money was donated back to Charnock Hall Primary school fund to represent a % (£75) of the phones donated via school children and relatives, plus we all did our bit for the environment. WELL DONE !

BUDDING CHILD ARTIST ?

We need some posters making by children – no larger than A4 size please ! To discourage dog owners from letting their dogs foul on the field by the park area. The council have given us permission to laminate some and display them around the park, hoping it may prick the conscience of those responsible. Pl send to school office and we will collect.

Forthcoming events.

A.G.M – this will take place in September, please come along and give us your views, watch out for the date ! Come along and share your views, and receive an update from the committee.

Race night – this is currently being arranged with the assistance of Cncllr Bryan Lodge, and is scheduled for October /November this year, the venue , and other finer details will be advertised once we have them, - please come along and have a fun night, whilst raising much needed funds for your park.

Tombola – Crystal Peaks – date to be arranged , any donations would be very much appreciated – contact Tracey on tel – 0114 2 656784 , or Lynne on Tel 0114 – 2656784.

Grand Christmas Prize Draw- we will of course be holding our yearly raffle for the park, and will be working on securing some prizes over the coming months. Last year we did fantastically well with the raffle and raised £600 . Please continue to support us in this by buying a ticket this year. ANY DONATIONS GRATEFULLY RECEIVED !

Reindeer food - You will no doubt have seen us standing freezing in the cold , selling our reindeer dust at £1 bag, and yes, we will be making and selling again this year, every penny back to the park, so please buy a bag from us when you see us to ensure Rudolph and Santa find their way to your little ones doors .

A HUGE THANKYOU TO ALL OUR £100 AND OVER SUPPORTERS !

For your donations, support and trust to this very worthwhile local community project . YOU TOO COULD BEE PART OF YOUR COMMUNITY, ring KEN WAIN for more details, on TEL 0114 2 393852 and show your support.
